The Management Board of ARCUS S.A. ("Issuer") hereby informs reputable investors and shareholders of the Company, that on 17 May 2016 ARCUS S.A. received a request for payment addressed to consortium of DecoSofta as a leader and ARCUS S.A. as a member of consortium. Mentioned request was issued by Centrum Systemów Informacyjnych Ochrony Zdrowia ("Ordering Party") and is associated with the Agreement of 1 July 2013 which was disclosed by ARCUS S.A. in a current report No 29/2013.

The subject matter of the Agreement concluded in 2013 between the Consortium and the Ordering Party, was delivery, installation and configuration of technical-system infrastructure for the needs of subsystems implemented under the project: 'Electronic Platform for Collection, Analysis and Dissemination of Digital Data on Medical Events'. Value of the project amounted to PLN 138 990 000.00 (gross).

Total value of claims against the Consortium amounts to PLN 12 860 098.95 (gross).

In the Issuer's opinion, mentioned request for payment is a negotiation element used by the Ordering Party in response to claims at the total value of PLN 4 643 255.71 made by Consortium. Furthermore, the request for payment does not include any justification and does not provide for a legal basis of the claim. The services under the Agreement of 1 July 2013 (being the subject of claims made), within the

course of cooperation between the Consortium and the Ordering Party, have been reported to and settled by the Ordering Party on the ongoing basis.

The Issuers points out that the scope of claims refers to works performed by a consortium's leader – DecoSoft S.A. and in accordance with the consortium agreement – the responsibility lies with DecoSoft S.A.
