

Date of report: 5 March 2019

Current report no 2/2019

Significant agreement

Legal basis: Art. 17.1 of the Market Abuse Regulation

Content of the report:

The Management Board of **ARCUS S.A.** (hereinafter the “Issuer”, “the Company”) hereby discloses the information that on 5 March 2019 an agreement (hereinafter “the Agreement”) for delivery, implementation and maintenance of the Office Printing System (hereinafter “OPS”) for Alior Bank SA with its registered office in Warsaw was concluded. Under the Agreement, ARCUS S.A. will deliver and implement the solution which includes:

- MyQ system for managing the document processing, i.e. the process of scanning, copying, printing, user and user’s authorizations management,
- central software for remote diagnostics and configuration of delivered devices,
- Kyocera ECOSYS monochrome printers,
- Kyocera TASKalfa and Kyocera ECOSYS multifunctional monochrome and colour MFPs.

The Issuer will provide full maintenance services together with technical support and supply of consumables and parts necessary for the proper operation of the system. The estimated value of the Agreement amounts to PLN 8,000,000 (in words: eight million, PLN 00/100) gross. The Agreement comes into force on the day of signing and will be effective for a period of 48 (forty-eight) months from the date of transferring the equipment to the facilities designated by the Ordering Party. Other terms and conditions of the Agreement do not differ from standard terms and conditions for this type of agreements.

SIGNATURES OF PERSONS REPRESENTING THE COMPANY:

Rafał Czeredys – Member of the Management Board
